I. Salaries and Payments in aid to Masters of Schools, to certificated Masters, Lecturers, Teachers, Pupil Teachers, &c.	15,300	-	-	12,500	-	-	I. The increase arises from the transfer of Edinburgh School of Art from the Board of Manufactures to this Department, by Treasury Minute, of 1,400 l., also from the establishment of new Schools now in progress, and the increased Payments on Results. 88 Masters of Schools of Art and Science, 81 Art Pupil Teachers, have received payments, as well as 69 Students in Training in Art and Science, and 2,086 payments have been made on behalf of persons who have passed satisfactory Art Examinations. The Fees paid by Students in Local Schools of Art, for the year ending 30th June 1857, amounted to 8,781 l. 7 s. 2 d. The Fees at South Kensington and in the Metropolitan District Schools, from the 1st March 1857 to 28th February 1858, have been 1,714 l. 6 s. 4 d., making a year's total of 10,495 l. 13 s. 6 d. contributed by Students only, independently of local voluntary Subscriptions, the amount of which is not returned to the Department. The Fees paid in the Science Schools are returned at 1,391 l.
II. Examples, Diagrams of Science and Art, Objects of Art, Books, &c., granted and circulated to Local Schools, and exhibited in the Art Museum; also, Carriage and Package of Articles, and Expenses of the Travelling Museum.	11,800	-	-	9,000	-	-	II. In addition to Loans of Objects and Grants in Aid to Schools of Science and Art above mentioned, 225 Primary Schools, 16 Science and 58 Art Schools, and 43 Mechanics' Institutes, have received aid in procuring Examples. Collections have been sent to Birmingham, Nottingham, Macclesfield, Norwich, Leeds, Sheffield, York, Newcastle-on-Tyne, Carnarvon, Hanley, Stourbridge, Worcester, Liverpool, Glasgow, Paisley, Dundee, Aberdeen, Belfast; and have been visited by 150,199 persons.

IV. Guarantee Fund in aid of establishing Schools.	750	-	-	1,000	-	-	IV. The certainty which now attends the establishment of Self-supporting Schools of Art renders the reduction possible.
V. Prizes of Instruments, &c., awarded at Examinations in Schools of Science and Art, and for Prizes to Pupil Teachers of Public Schools in connexion with Elementary Drawing.	2,000	-	-	2,000	-	-	V. 92 National Medals, 582 Local Medals, and 5,363 Prizes of Drawing Instruments and Books, &c., have been awarded during the year 1857, among 42,426 persons under instruction.

The rapid rise in the growth of this Museum makes an increase of Officers for the custody and arrangement indispensable. The number of Visitors to the Museum, from its opening on 22 June 1857 to 23 March 1858, have been 169,758 in the morning, and 193,202 in the evening, giving a total of 362,960 persons.
